

Season of Harvest

Care for creation

seed-gathering-season September-October

The meadows are covered with flocks and the valleys are mantled with grain; they shout for joy and sing.
psalm 65:13

Can you gather signs of the autumn harvest ?

#seasonofcreation

learn the names
of your harvest
collection.
Can you sort
them into groups?

berries

spores

grains

seeds

nuts

fruits

roots

Become a nature detective

What questions can you ask
about your autumn harvest?
Can you plant and tend for
any of your collection?

**ambitious, capable learners, ready to
learn throughout their lives
who: research, explore, gather and
communicate**

**Stay safe!
Take care**
